

Counting Stars

All: Lately, I've been, I've been losing sleep
Dreaming about the things that we could be
But, baby, I've been, I've been praying hard
Said no more counting dollars, we'll be counting stars
Yeah, we'll be counting stars

All: I see this life like a swinging vine
Swing my heart across the line
And in my face is flashing signs
Seek it out and ye shall find
Old but I'm not that old
Young but I'm not that bold
And I don't think the world is sold
On just doing what we're told

High: I feel something so right Low: doing the wrong thing
High: And I feel something so wrong Low: when doing the right thing

All: I couldn't lie, couldn't lie, couldn't lie
All: Everything that kills me makes me feel Low: alive

High: Lately, I've been, All: I've been losing sleep
Dreaming about the things that we could be
But, baby, I've been, I've been praying hard
Said no more counting dollars, we'll be counting stars

All: Lately, I've been, I've been losing sleep
Dreaming about the things that we could be
But, baby, I've been, I've been praying hard
Said no more counting dollars, we'll be, we'll be counting stars

All: I feel your love, and I feel it burn
Down this river every turn
Hope is a four-letter word
Make that money, watch it burn
Old, but I'm not that old
Young, but I'm not that bold
And I don't think the world is sold
On just doing what we're told

High: I feel something so right Low: doing the wrong thing

All: I couldn't lie, couldn't lie, couldn't lie
All: Everything that drowns me makes me wanna Low: fly

High: Lately, I've been, All: I've been losing sleep
Dreaming about the things that we could be
But, baby, I've been, I've been praying hard
