All: A singer in a smokey room

A smell of wine and cheap perfume

For a smile they can share the night

It goes on and on and on and on

Strangers waitin'

Up and down the boulevard

Their shadows searchin' in the night

Streetlights, people

Livin' just to find emotion

Hidin', somewhere in the night

High: Doo doo doo doo Low: Doo doo doo doo doo doo

All: Workin' hard to get my fill

Everybody wants a thrill

Payin' anything to roll the dice

Just one more time

Some'll win, some will lose

Some are born to sing the blues High: Whoa, the movie never ends it goes

All: On and on and on and on

Strangers waitin'

Up and down the boulevard

Their shadows searchin' in the night
