

Let Me Entertain You

All: Hell is gone and heaven's here
There's nothing left for you to fear
Shake your ass come over here
Now scream
I'm a burning effigy
Of everything I used to be
You're my rock of empathy
My dear

All: So come on, let me entertain you **woah oh oh** X 2

All: Life's too short for you to die
So, grab yourself an alibi
Heaven knows your mother lied
Mon cher
Separate your right from wrongs
Come and sing a different song
The kettle's on, so don't be long
Mon cher

All: So come on, let me entertain you **woah oh oh** X 2

All: Look me up in the Yellow Pages
I will be your rock of ages
See through fads and your crazy phrases yeah!
Little Bo Peep has lost his sheep
He popped a pill and fell asleep
The dew is wet, but the grass is sweet my dear

All: Your mind gets burned with the habits you've learned
But we're the generation that's got to be heard
You're tired of your teachers and your school's a drag
You're not going to end up like your mum and dad!

All: So come on, let me entertain you **woah oh oh** X 3

All: He may be good he may be out of sight
But he can't be here so come around tonight
Here is the place where the feeling grows
You gotta get high before you taste the lows
