

## **We Found Love**

Middles: Yellow diamonds in the light  
Now we're standing side by side

Low: As your shadow crosses mine  
What it takes to come alive

High: It's the way I'm feeling, I just can't deny  
But I've gotta let it go

**All: We found love in a hopeless place**

**We found love in a hopeless place**

**We found love in a hopeless place**

**We found love in a hopeless place**

Mid: Shine a light through an open door  
Love and life, I will divide

Low: Turn away 'cause I need you more  
Feel the heartbeat in my mind

High: It's the way I'm feeling, I just can't deny  
But I've gotta let it go oh oh oh

**We found love in a hopeless place**

**We found love in a hopeless place**

**We found love in a hopeless place**

**We found love in a hopeless place**
